We hope this map will help you enjoy the beautiful countryside and wonderful walks on your doorstep. The footpaths and green lanes will give you safe (virtually traffic free) routes to various locations. It's just a 15 minute walk from Beeton's to the Baubigny Schools campus using the existing footpaths and green lanes and then the Living Streets pathway along the edge of the vinery. It's great for blackberries! An alternative safe route to the Bowl, Track and the schools is via Ivy Castle. Walk around the moat and then take the gateway through to Victoria Avenue.
